Portfolio | GitHub | Leetcode | GeeksforGeeks

Education

- **Vellore Institute of Technology, Bhopal** — Bhopal, India
  Bachelor of Technology - Computer Science & Engineering; CGPA:8.86/10 — 07/2021-07/2025

Skills

- **Programming Languages:** C++, Java
- **Technologies:** HTML, CSS, JavaScript, MongoDB, Express.js, React.js, Nodejs, MySQL
- **Subjects Studied:** Data Structures and Algorithm, OOPs, Computer Networks, Operating Systems, DBMS
- **Developer Tools:** Git, GitHub, VS code, Postman, PyCharm, Canva

Certifications

- Cloud Computing Certificate with Elite + Silver Medal, NPTEL (IIT Kharagpur) — 05/2024
- Intro to SQL(Kaggle) — 02/2023
- Bits and Bytes of Computer Networking (Coursera) — 12/2022

Projects

BloodLine- Blood Bank — 07/2024–08/2024 — Web-app
- Developed a full-stack Blood Bank web application using the MERN stack, managing over 2500+ donor records and blood inventory. Implemented secure authentication with JWT and bcrypt, and leveraged MongoDB for scalable data storage.
- Built a responsive React frontend and RESTful APIs with Express. Deployed on Render, ensuring seamless environment configuration and robust error handling.

MeBook- Book Store — 05/2023–06/2023
- Created and revamped the frontend of an online Book Store website with HTML, CSS and JavaScript maintaining a user-friendly interface and seamless navigation across over 20+ different devices.
- It features book listings with dynamic styling, category filters, and a Learn More section for additional book details.
- Produced 15+ active features with JavaScript to enhance user interactivity, including shopping cart functionalities. Deployed the site on Vercel for smooth access and performance.

Web-app

Work Experience

Ethnus — 08/2023–11/2023
MERN-Stack Internship Program — *Remote*
- Engineered a cutting-edge MERN stack solution for the Job Finder project, integrating Vite and React, leveraged Tailwind CSS to craft a visually stunning interface with over 45+ screens — Web-app
- Implemented seamless image upload through Cloudinary, contributing to multimedia capabilities and an elevated user experience, with an estimated storage savings of up to 70%.
- Developed and submitted the project successfully under the guidance of mentor.

Achievements

- Secured **AIR 797** out of 35,000+ participants in the National Engineering Olympiad (NEO), demonstrating problem-solving expertise.
- Finalist among 150+ teams in the Smart India Hackathon 2023 internal round, where I collaborated with a team of 4 to develop an E-court application, contributing by building the frontend.
- Maintaining a top **50** college rank on **GeeksforGeeks,** with a continuous coding streak of 250+ days on both GeeksforGeeks and LeetCode.

Extracurricular

- Led a team of 50+ students as **Social Media Team Lead** for the Nature & Trekking Club during my college fest, AdVITya'23.
- Strengthened communication and leadership by organizing 5+ workshops, webinars, and 10+ student meetups as an **Internshala Student Partner (ISP).**
- Performed dance at the college's event with Fusion Club (07/2023) and at the Bayaan event (09/2022).
